

## Illustration for T-shirt Transfer paper, dark color

Cut out your images with a pair of scissors or cut around with a knife.

Slowly peel the decal off the backing paper. Be patient!

Place decal on t-shirt you wish to use

Remove grease paper from pack and position over decal

Place some fabric above the grease paper. Iron until decal is affixed to the T-shirt.

Remove fabric and grease paper from the T-Shirt. Allow the decal time to cool down.
